Area Non-Profit to Receive Free Services as Edit House Productions, LLC Marks 10th Year

RIO RANCHO, NM.... In celebration of ten years in business as Rio Rancho's first media production company and advertising agency, Edit House Productions, LLC will provide \$10,000 in media services to one or more non-profit organizations that serve Rio Rancho or Sandoval County.

Non-profit organizations are encouraged to attend an open house on Tuesday, May 18, from 5:30-7pm at Edit House Productions to learn more. Non-profits will receive an application, which will also be available May 18 at the company's website, www.edithouse.net. Entries must be returned to Edit House Productions, LLC by June 4th, 2010.

A panel will select the non-profit group to receive the services, which might include production of a video about the group, public service announcements, publicity assistance, or marketing consultations. Expenses outside the professional services, such as printing or airtime, of Edit House Productions, LLC are not included.

"We feel very fortunate to have grown our company, starting as a home-based business, in Rio Rancho," said Ed Smith. "Because Rio Rancho's been our home for many years, we'd like to give back to our community by helping a non-profit organization that could benefit from our media and marketing knowledge."

Non-profit groups must provide proof of 501-C3 status, be in good standing with the NM Public Regulatory Commission, and provide services within New Mexico. Strong preference will be given to groups whose efforts focus on Rio Rancho or Sandoval County.

The nomination form must be received by June 4th, 2010. It can be mailed to or dropped off at Edit House Productions, LLC, 4200 Meadowlark Lane SE, Suite 1A, Rio Rancho, NM 87124.

Smith formed Edit House Productions, LLC in December 2000. Clients include automotive, retail and service companies across New Mexico and the United States.
