DESCRIPTION: Why should kids have all the fun? Its Summer Reading Program time again and the Rio Rancho Public Library offers a program for adults as well as children! Check out all the great books, videos, audiobooks and more at the library and "Water Your Mind!" Earn a chance to win the "Booklovers Bag," chock full of fun stuff any reader would love!

The theme for this years nationwide Summer Reading Program is water, and the theme for the adult program is "Water Your Mind." Books, videos, audiobooks and events about water and gardening accompany the program and include two talks by award-winning gardening expert Rudy Benavidez, a concert by Holy Water and Whiskey, and a gourd craft program.

To participate, just read or listen to books and submit entry forms until 5:00 p. m. Saturday, August 14. Turn in your entries at any Rio Rancho Public Library (Loma Colorado or the Esther Bone branch) to earn a chance to win a "Booklovers Bag." There will be a drawing on Thursday, August 19 (time to be announced) at Loma Colorado Main Library. You need not be present to win. Submit as many entry forms as you want to, but you can win only one "Booklovers Bag." You must be 18 years or older to participate.
